MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Agency Relations With News Media

REFERENCE : Executive Memorandum No. 121,  
Dated 16 January 1964

1. I heartily endorse the Director's views as outlined in paragraph five, and our Briefing Officer and other Office of Training staff representatives speaking outside of the Agency will continue to follow this philosophy.

2. Continued unfavorable publicity could deter qualified young men and women from seeking a career in the Agency, thus making it more difficult to staff our Junior Officer Training Program with people of the highest quality.

MATTHEW BAIRD  
Director of Training
